(“SPOT”) consists of the Service Plan (“Plan”) to which you subscribed, these General Terms and Conditions (“General Terms”), and any addenda that have been included with these General Terms. The Agreement period (“Term”) starts when you first use the Satellite Personal Tracker service (“Service”) described in the Plan. SPOT may change the General Terms or pricing for the Service if its terms for obtaining the Service change or if SPOT believes a change is beneficial for conducting its business. When SPOT makes changes, SPOT will give notice to you by posting the changed General Terms on the SPOT website: <http://www.findmespot.com/ExploreSPOT/ServicePricing/Terms.aspx>. SPOT may also notify you directly of a change, but SPOT is not obligated to do so unless the change is a price increase. You accept responsibility for being fully informed of the changing content of the SPOT website, including changes in the General Terms and the Plan. If SPOT makes changes that are not acceptable to you, you may terminate the Agreement without charge by giving written notice of termination to SPOT within 30 days after the date the unacceptable change was posted. If you do not give written notice within 30 days, you accept the change, effective on the date of its posting. You agree that you cannot change this Agreement and that no statement or representation (oral or written) of any sales agent, distributor, representative or employee of SPOT made to you can change this Agreement.

1. CONDITIONS AND LIMITATIONS OF SERVICE.

You understand and agree that:

1.1 You may use your SPOT Messenger anywhere there is coverage. Coverage areas include virtually all of the continental United States, Canada, Mexico, Europe and Australia, portions of South America, Northern Africa and Northeastern Asia, and hundreds of thousands of miles offshore of these areas. Please check <http://www.findmespot.com/explorespot/coverage.aspx> for the current coverage areas.

1.2 SPOT Service uses coordinates from the U.S. Government’s GPS Satellite Constellation and its onboard GPS chip to determine your position and the L-band uplink (1610-1621.35 MHz) of the Globalstar™ Satellite System, which is owned and operated by Globalstar, Inc. (“Globalstar”) and the SPOT enterprise systems, to transmit your messages (together, the “Satellite Systems”). The Satellite Systems’ availability is limited by the space technology and environmental conditions that affect radio transmissions including limitations on the geographic satellite service coverage as described on the www.FindMeSpot.com website. Service may become limited or temporarily unavailable without notice

from time to time. SPOT does not own or control the service providers that operate the links between the satellite ground stations, including satellite antennas and supporting equipment, and the Globalstar satellites, nor does SPOT own or control the GPS Satellite Constellation, and cannot be responsible for any service interruptions that are associated with those Satellite Systems or ground stations and the SPOT enterprise systems. Neither does Spot own or control the cellphone and e-mail service providers who receive the SPOT e-mail and SMS messages, and is not responsible for any delays by the e-mail and cellphone providers related to these messages.

1.3 Satellite service is wireless and requires a clear line of sight toward the satellite; therefore, the service is inherently subject to transmission and reception limitations caused by: (i) your location, including conditions that obstruct the line of sight between you and the Satellite Systems; (ii) the condition of the Satellite Systems and ground stations; (iii) the condition of your SPOT Messenger; and (iv) weather conditions, atmospheric conditions, magnetic interference, environmental, and other conditions beyond SPOT's or the Satellite Systems' control.

1.4 You will read your SPOT Messenger User Manual carefully for instructions on using your SPOT Messenger and you will use the SPOT Messenger only in accordance with those instructions.

2. EMERGENCY SERVICES.

2.1 You may use your SPOT Messenger for emergency purposes. SPOT has contracted with a third-party provider, Travel Safety Group dba GEOS ("GEOS"), to provide emergency monitoring services utilizing their GEOS 9-1-1 Emergency Call Center(s) ("ECC"). SPOT transmits 9-1-1 Emergency Signals received, along with applicable Registration Data information and available location coordinates, to the ECC. The ECC maintains a database of emergency responders in regions throughout the world (the "ECC Database"), and provides 9-1-1 Emergency Signal monitoring 24 hours a day, 7 days a week and 365 days a year. Upon receipt of a 9-1-1 Emergency Signal, ECC personnel: i) contact if available the primary and secondary contacts identified by you in your Registration Data to attempt to validate the 9-1-1 Emergency Signal, ii) use the ECC database to identify appropriate emergency responder(s) according to available location coordinates; iii) contact the appropriate emergency responder(s) and inform them of the relevant facts in GEOS' possession (including available Registration Data information and/or location coordinates); iv) if you are traveling outside of your home territory, and it is consistent with GEOS' procedures, GEOS may contact the Embassy of your government consistent with your Registration Data, either in the location identified by the Location Information or their Washington, D.C. based Embassy, and provide them all relevant facts in GEOS' possession; and, v) provide updates of location coordinates as available to the identified emergency responder. Upon contacting the emergency responder(s) and/or, as appropriate, the Embassy, and informing them of all relevant facts, SPOT and GEOS are released from all further legal responsibility and/or obligation to take any further action whatsoever. Should GEOS have reasonable cause to believe that an emergency condition does not exist, GEOS reserves the right to solely contact the primary and secondary contacts identified by you.

2.2 Provision of 9-1-1 Emergency Services is subject to the terms of this agreement, including the Section 9 Limitations. SPOT intends that the ECC will be available at all times in all locations where your SPOT Messenger works; however, it is possible that at some times and some locations, the ECC will not receive your transmission or that your transmission will be delayed. Further, the emergency responder(s) shall determine when, how, even if, to conduct a search and rescue in accordance with their standard policies and procedures. And as determined by such constraints as, but not limited to, operational considerations, available resources, technical feasibility, meteorological conditions, medical and/or safety concerns whether for you or the emergency responder(s). In no event does this Agreement create a duty to rescue.

2.3 You are solely responsible for any charges that may be assessed by emergency responders for either false 9-1-1 emergency signals and/or in relation to search and rescue activities resulting from you or your authorized users transmission of a 9-1-1 Emergency Signal. In addition, should you deliberately or negligently misuse the 9-1-1 Emergency Service, the 9-1-1 service provider, GEOS, reserves the right to assess a fee in order to recoup their costs in relation to responding to such misuse. Negligent and deliberate misuse includes, but is not limited to, pressing the 9-1-1 button to 'see if it works' or otherwise knowingly pressing the 9-1-1 button when no emergency situation exists. Should it be determined by SPOT that you have deliberately or negligently misused the 9-1-1 Emergency Service, SPOT shall provide your credit card

information on record to GEOS. GEOS shall then, without further notice, bill your credit card the appropriate fee, calculated at a rate of \$345.00 per hour, or stated part thereof, for a minimum charge of one (1) hour and maximum charge of two (2) hours, for each such false 9-1-1 Emergency Signal event, and you shall be responsible to pay any such fee. If you purchase the optional Search and Rescue Service, such Search and Rescue services shall be subject to the terms of your separate agreement with GEOS, located at <http://www.geosalliance.com/sar/>.

3. SERVICE PLAN.

3.1 You agree to remain as a subscriber for the minimum period stated in your Plan Term, or if no Term is specifically stated in your Plan, for a Term of 12 months starting on the date of Service activation.

3.2 All Service plans are Pre paid Plans. Available plan terms may include: a yearly term with prepayment in full, a yearly term with prepayment prior to each service month or a multi-year term with prepayment in full. Pre-paid Plans automatically renew at the end of the Term for a new Term that is the same as the initial one unless you cancel by notifying SPOT no later than 30 days after such automatic renewal. Where required by law, SPOT will provide you with advance notice of the renewal of your Plan.

3.3 Pre-paid Plan fees are non-refundable unless SPOT cancels the Service, in which event you will receive a pro rata refund for airtime for the unused portion of the Plan.

3.4 Generally your Plan is for personal, recreational or non-commercial use only. This means that generally you may not sell, rent, lease or otherwise charge for the SPOT Satellite Messenger and/or Service or any information or services associated with or derived from the SPOT Satellite Messenger and/or Service. The only exceptions are the approved commercial uses described in Section 3.5 herein, and pursuant to the additional obligations described in Section 3.6, .

3.5. In addition, to your non-commercial use, SPOT has approved the following commercial uses under your Plan: 1) rental and/or provision of the SPOT Satellite Messenger and/or Service where the end customer is using the messenger for their personal, recreational and non-commercial use; or, 2) loan worker applications where the SPOT Satellite Messenger and/or Service is being used by individual workers for their personal use; or, 3) mass activations by companies and/or organizations in which each user is utilizing the device for their personal use. You agree to maintain adequate liability insurance and agree to indemnify SPOT against any claims, loss or damages by your authorized users. In addition to these authorized commercial uses, SPOT may approve additional uses on a case-by-case basis. Separate price plans may apply. Please contact SPOT at: 1-866-OK1-SPOT (651-7668) or customer@findmespot.com should you wish to utilize your SPOT Satellite Messenger for a commercial use.

3.6. You are solely responsible for any user authorized by you to utilize the SPOT Satellite Messenger and/or Service. In addition, you agree to pass usage instructions and service plan terms and conditions to all of your authorized users.

4. PAYMENT.

4.1 You agree to pay, on time, any applicable activation, annual or monthly service, usage, cancellation, and disconnection fees, plus any applicable taxes, as provided in your Plan. SPOT will bill your credit card prior to each service term in accordance with the terms of your Plan. This bill is due and payable in the currency specified in your Plan. If your plan specifies monthly billing, then the monthly recurring charges are billed monthly in advance.

4.2 You agree to pay a late charge of the lesser of (i) 1.5% per month or (ii) the maximum legal rate if your bill is not paid within ten (10) days after the due date. This late charge is applicable to the unpaid balance as of the due date and will be billed on subsequent invoices and statements. You agree to pay SPOT all of SPOT's collection costs, including without limitation the standard fees of any collection

agency, reasonable attorney and legal fees, and any other costs incurred by SPOT in exercising any of its rights under this Agreement. SPOT may suspend Service in the event of late payment. If it does so, SPOT may charge a reactivation fee (currently \$50.00 US) for each suspended SPOT Messenger.

4.3 Should you be utilizing a promotion code, you agree that you qualify for the applicable promotion. You agree to the terms of the promotion, including any time limitations. You agree to provide your credit card information for any additional service beyond the promotional period.

5. DATA TRANSMISSION/NO CREDITS.

5.1 Because of the technical nature of data setups and the inherent complexity of data transmission through a variety of satellite and other operating systems, SPOT makes no representation as to the success of any data transmission. Regardless of whether a data transmission is successful, no refunds will be given.

5.2 In addition to limitations resulting from incorrect use (e.g., next to or under an obstruction), satellite communications systems have inherent characteristics that can create dropped data transmissions. Dropped data transmissions, regardless of whether "9-1-1," "Help," "OK (Check In. SPOTcheckingSM)", "OK (Track Progress. SPOTcastingSM)" or other data transmission, will not be credited regardless of cause. Nor shall SPOT be liable for any damages that may result from such dropped data transmission, including dropped or delayed SMS message(s) or e-mail(s) to your SPOTteamSM, failure of Google Maps™ display and/or dropped or delayed 9-1-1 Emergency Signals.

6. TAXES.

Your Plan price for the Service does not include sales, usage, excise, ad valorem, goods and services, harmonized sales, property or any other taxes now or hereafter imposed, directly or indirectly, by any governmental authority or agency with respect to the Service. You are required to pay these taxes.

7. CREDIT APPROVAL/CREDIT CARDS.

7.1 Initiation or continuation of Service is subject to credit approval by SPOT and requires direct payment by credit card or an authorized guarantee of payment by a valid accepted credit card.

7.2 Foreign (non-U.S. or non-Canadian) credit cards will be accepted only after verification with the issuing bank. If you are a foreign customer or a customer without established credit, SPOT may not allow you to participate in a Plan with Monthly pre-payment. Instead, SPOT may require that you prepay the first full year. Verification of foreign credit cards may delay order processing. SPOT may decline any credit card transaction.

7.3 BY AUTHORIZING SPOT INC. TO DEBIT YOUR CREDIT CARD, YOU REPRESENT THAT YOU ARE THE AUTHORIZED OWNER OR USER OF YOUR CREDIT CARD AND THAT YOU ARE A RESPONSIBLE PARTY FOR THAT CARD. YOU GRANT SPOT ACCESS TO AND THE RIGHT TO REVIEW THE INFORMATION IN, AND YOUR REFERENCES SUBMITTED WITH, THE SERVICE PLAN, OBTAIN YOUR CREDIT REPORTS AND CREDIT HISTORY, AND/OR ALL OTHER RELEVANT INFORMATION AND MATERIALS THAT SPOT REASONABLY BELIEVES IS DESIRABLE FOR THE PURPOSE OF IDENTIFYING YOUR FINANCIAL STATUS AND CREDITWORTHINESS.
